# Maintenance Lead Seva Guidelines

***Published on: 11/12/2021***

## 1. Objective

1.1. The objective of this document is:

1.1.1. to assist with better planning, coordination and execution of various Satsang development related activities

1.1.2. to have a uniform and more structured approach while performing seva

1.1.3. to provide further information about high level roles & responsibilities and streamline various processes

1.1.4. to clarify any doubts or misconceptions during seva

1.1.5. to build, maintain and increase Samp-Suhradbhav-Ekta

1.1.6. to earn Satpurush's rajipo

## 2. Vimarsh & Communication

2.1. Must attend monthly Pramukh Vimarsh

2.2. Any maintenance related requests discussed or received during Pramukh Vimarsh, Maintenance Lead to assign maintenance tasks to appropriate Team Members to carry out the maintenance seva as per team member's skills.

2.3. Work with Mandir / Centre Coordinator (CO) and Facilities Admin to create a Maintenance related requests Jotform so that any requests are submitted through that form only.

2.4. Plan maintenance work as per the priority and severity within 1 weeks' time. If additional time and budget required, discuss with Facilities Admin and if required discuss further with CO.

2.5. Maintain a register (Google Sheet or similar) of all the maintenance related tasks and share with Facilities Admin / CO and perform an annual assessment of any frequent items / issues and try to have a permanent fix for such issues.

2.6. Keep a register and log of regular maintenance items (e.g. lift, kitchen appliances, A/C, etc.) and ensure regular maintenance is carried out by team or professional as per the supplier's recommendation or any compliance related requirement to avoid large expense in future.

2.7. Coordinate, execute and maintain any maintenance related external contracts with the help of Accounts Team, Facilities Admin and CO.

2.8. Provide annual maintenance budget to Accounts Team after discussing with Facilities Admin.

2.9. Ensure any maintenance related tools and kit are intact and stored properly.

2.10. Ensure test & tag of all electrical items is done on regular basis with a maintenance log.
2.11. Ensure any compliance related requirements are met, e.g. any electrical work must be carried out by a licensed electrician, white card holder, etc.
2.12. Ensure all Workplace Health & Safety (WHS) rules are followed while carrying out any maintenance seva.

## 3. Team Development

3.1. Encourage his respective Team Members' Growth / Development and build Samp amongst volunteers as per Bapa's ruchi.
3.2. Appreciate any constructive ideas received from Team Members and then discuss with Facilities Admin and further with CO, Local Vicharan P. Santo and National Aksharpith Team if required before any implementation.
3.3. Appreciate Team Members' good qualities during seva (commitment, sincerity, dedication, exceptional seva, etc.) in front of P. Santo and other volunteers in Vimarsh. This will encourage volunteers to perform their seva better.
3.4. As per local Centre's maintenance related requirements, prepare maintenance tasks list after discussing with Facilities Admin and assign tasks to individual team members as per their skills.
3.5. Keep a list of Satsangis / Gunbhavis in specialised profession / trades as well as keep a list of maintenance related shops / suppliers to engage them for any relevant seva or get their seva to provide any necessary supply. Build and maintain good relationship with such haribhakto so that they can be engaged in seva whenever required.
3.6. Build a local maintenance team and organise monthly team meeting to discuss any tasks and resolve any issues.
3.7. Prepare and maintain a file with all warranty related documents and regularly perform any maintenance as recommended by the supplier.
3.8. Ensure to promptly check any maintenance related issues and get them rectified before the warranty expires. If required, can purchase extended warranty.
3.9. Whenever required, get guidance or service done through the professional which may save both cost and time in a longer run.

## 4. Financial Expenses Process

4.1. Can authorise any new expenses up to $150 at his own discretion.
4.2. Discuss and get pre-authorisation from Services Admin for any expense incurred by his respective Team and submit the expense claim voucher along with supporting invoices as per Accounting Process so the Accounts Team can process any payments on time (1 week).

## 5. Other Notes

5.1. It is Maintenance Lead's responsibility to keep Facilities Admin in loop.

5.2. Guidelines and information provided in this document is not extensive. Additional guidelines and / or information will be provided through various formal and informal channels (written, through meetings, in person, over the phone or virtually) as and when deemed necessary under P. Santo and BAPS ANZ National Team's guidance.
