3.5. Under the guidance of Local Vicharan P. Santo and ANZ SDC, work with Network Admin to organise Sampark Seva Workshop for all sampark karyakars once in a year.

3.6. Assign around 8-10 contacts per regular sampark karyakar if possible leaving nearby to the sampark karyakar. Ensure same karyakar does sampark of the assigned contact to create and maintain an ongoing relationship with the contact.

3.7. Sampark can be carried out individually, in pair with other sampark karyakar or with own family.
3.8. Sampark karyakar (male) to always maintain stri-purush maryada during sampark. Do not do any form of sampark (in person or via phone / message) to any single mahila.
3.9. Work with Network Admin and Parasabha Sampark Leads to define sampark strategies based on year planner (e.g. in person, phone calls, email / message only) including any flyer requirement timeframe as deemed practical.
3.10. Club back to back Parasabha and Mandir / Centre level sampark in a single sampark contact to avoid multiple back to back contacts. Always prioritise Mandir / Center events over any Parasabha events where there is any overlap.
3.11. If any sampark karyakar is not able to do sampark due to one or more reasons (e.g. lack of time, other commitments, etc.), with the help of Network Admin, have one to one conversation to encourage them for this seva and provide any necessary assistance.
3.12. Regularly verify address and other family member details at least once in a year (around Annakut) and get the database updated as required.
3.13. If any sampark contact moves to another Centre / Parasabha, pass on their details to respective Mandal / Parasabha / Regional Sabha Sampark Lead / Network Admin so ongoing sampark can be continued over there.
3.14. Have a dedicated sampark karyakars team to get in touch with any new families attending Ravisabha for the first time or any gunbhavis attending Ravisabha frequently and regularly do their sampark to encourage them to be involved more in Satsang / Seva.
3.15. During sampark, if comes across any individual in specialised profession / trade which may be helpful in any seva at Mandir / Centre (e.g. cleaning, locksmith, plumbing, electrician, IT, etc.), pass on their details to Volunteers Lead, Network Admin and Mandir / Centre Asst. Coordinator (ACO) and introduce them to respective Team Lead.
3.16. Explain to Sampark Karyakars not to do khandan of any devi-devta, person, beliefs, religion, or sanstha or involve into unnecessary topic discussions or debate while doing sampark, but instead focus on explaining mahima of Sanstha and Guru Parampara.
3.17. If possible, encourage Sampark Karyakars to wear BAPS white Zabhho-Lengho and apply Tilak-Chandlo especially when doing sampark for any special events (e.g. PSM Shatabdi Sampark).
3.18. When going for in person Sampark, set an appointment first with the host as per their availability and convenience and stick to the appointment time and only spend reasonable time as per the host's interest.
