National Sports Management Process
Australia & New Zealand

PART 1 – NATIONAL SPORTS TEAM – Responsibility and Events

1. Introduction

- The National Sports Team coordinates and manages sports activities across Australia and New Zealand.
- The primary objectives are to use sports as a platform to:
  - Strengthen unity and bonding among Satsang participants across centres.
  - Develop teamwork, discipline and sportsmanship.
  - Create opportunities for Sadbhavi and potential Yuvaks to connect with Satsang through local centre events.
  - Integrate sports with Satsang, Sanskar and fellowship.

2. National Sports Events

- The National Sports Team coordinates the following major sports platforms:
  1. Pramukh Premier League (PPL) – Satsang Sneh Milan: Cricket + Satsang
  2. Mahant Premier League (MPL) – Satsang Sneh Milan: Volleyball + Satsang
  3. Local Centre Sports Events:
     - Pramukh Cup – Cricket
     - Yagnapurush Cup – Volleyball
- Each platform has a distinct purpose and format, while collectively supporting the common objectives of unity, sportsmanship and stronger Satsang connection.

Part 2: National team: Roles and responsibility

1. National Sports Admin

- Support the National Cricket and Volleyball Leads.
- Coordinate PPL and MPL in accordance with the relevant guidelines.
- Finalise dates, venues and fees as guided by Pujya Santo.
- Organise and coordinate volunteers as required.

2. National Sports Cricket Lead

- Lead overall Pramukh Cup planning in accordance with the Pramukh Cup guidelines.
- Coordinate with Local Sports Leads through regular meetings during the Pramukh Cup.
- Provide guidance and support to maximise participation and benefit.

3. National Sports Volleyball Lead

PART 3 – PRAMUKH PREMIER LEAGUE (PPL)

Satsang Sneh Milan

1. What is PPL?

- PPL is the major national sports and Satsang event where players from centres across Australia and New Zealand come together at one location.
- Participants compete in cricket and volleyball and take part in dedicated Satsang sessions.
- PPL = Sports + Satsang + Unity + Fellowship

2. Objectives

- Strengthen unity and friendship among players from different centres.
- Provide opportunities to meet and build relationships with Satsang participants across ANZ.
- Develop teamwork, discipline and sportsmanship.
- Provide Satsang knowledge and inspiration through dedicated sessions.

3. Frequency

- Biennial Tournament. (organized every alternate year)
- Normally held during the Easter holidays.
- Generally a 5–6 day event.

4. PPL Planning Process

Step 1 – Event Planning

- The National Sports Team:
  - Finalises proposed dates.
  - Identifies the location and venue.
  - Checks accommodation availability.
  - Determines the approximate number of teams.
  - Develops the overall event structure.

Step 2 – Centre Coordination

- Before announcing the event, the National Sports Team:
  - Confirms venue and accommodation feasibility.
  - Communicates with all Centre Sports Leads.
  - Provides detailed event guidelines.
  - Advises each centre of its team allocation.

Step 3 – Registration

- Centre Sports Leads:
  - Identify and form teams within the allocated quota and guidelines through one-to-one contact.
  - Explain eligibility requirements.
  - Open registrations using the National Team registration link.

- Form teams in accordance with National Team guidelines.
- Submit participant and team details as required.

5. Participant Eligibility

- Regular attendance at at least one weekly sabha:
  - Ravi Sabha
  - Yuvak Sabha
  - Kishor Sabha

Nitya Puja

- Performing Nitya Puja
- Applying Tilak-Chandlo
- Any additional criteria or exceptions will be communicated by the National Sports Team.

6. Team Allocation

- The National Sports Team determines the maximum number of teams each centre may bring.
- Example: Sydney – maximum 3 teams.
- Other centres – as advised by the National Team.
- Allocation may depend on:
  - Accommodation capacity
  - Venue capacity
  - Number of participating centres
  - Overall event capacity

Mixed Teams

- Teams should normally be formed from players within the same centre.
- The National Sports Team may permit or facilitate mixed teams when:
  - A centre is unable to complete a team.
  - Players from other centres may otherwise miss the opportunity to participate.

- Any mixed-team arrangement will follow the applicable guidelines.

7. PPL Cricket Format

- Normally 15–18 teams participate.
- Teams play according to the fixture prepared by the National Sports Team.
- The first round determines progression to the knockout stage.

8. PPL Satsang Sessions

- Satsang is an integral part of PPL.

Morning Satsang

- Every morning: Arti → Katha → Samuh Puja
- This provides daily Satsang inspiration alongside the sporting activities.

Evening Satsang

- Every evening: Arti → Dinner → Satsang Session
- A dedicated approximately 2-hour Satsang session is conducted, which may include:
  - Video presentations
  - Panel discussions
  - Sant Pravachans
  - Interactive sessions
  - Group Goshthis
  - Other Satsang activities
- Themes and topics are decided by Pujya Kothari Swami.

9. PPL T-Shirt & Branding

- The National Sports Team coordinates:
  - Event logo
  - T-shirt and track design and colours
  - Quantity of T-shirts and tracks for participants/attendees
  - Smruti Bhet for all participants
  - Trophies for winners and runners-up
- Final branding is communicated to centres before the event.

10. Overall Event Schedule

- All teams arrive at the venue by the afternoon of Day 1.
- Opening ceremony is held after lunch.
- First match begins on the evening of Day 1.
- Cricket matches generally run from 8:00 AM to 6:00 PM.
- Players scheduled for the first matches may skip Samuh Puja.
- Closing ceremony is held during the final evening session.

Mahant Premier League (MPL) – Volleyball

Purpose

- Teams eliminated from the cricket tournament receive another opportunity to participate through the Mahant Premier League (MPL) volleyball tournament, ensuring maximum participation throughout the event.

MPL Management

- Finalise team participation and applicable rules.
- Prepare fixtures based on available teams.
- Coordinate volunteers through the volunteer team based on availability.
- Plan team design and ground preparation.
- Arrange referees, nets and volleyballs in advance.
- Ensure fixtures are conducted on time.
- Arrange trophies and medals for winners and runners-up.

PART 4 – CRICKET TOURNAMENT

PRAMUKH CUP

1. What is Pramukh Cup?

- Pramukh Cup is a local/centre-level cricket tournament designed to provide regular sporting opportunities within each centre.
- It brings players together through cricket while creating opportunities for Sadbhavi and potential Yuvaks to connect with Satsang.

2. Objectives

- Strengthen bonding among players within the centre.

- Local planning should follow the guidance provided by the National Team.
- The Local Sports Lead determines and submits:
  - Event dates
  - Venue
  - Number of teams
  - Tournament format
  - Match timings
  - Playing rules
- The Local Sports Lead must liaise with the local Satsang Admin to obtain support and ensure the tournament does not clash with other local mandal events.
- The above details must be submitted to the National Team through the provided form.

Step 2 – Participant Fee

- The Local Sports Lead determines the participant fee based on expected event expenses and in consultation with the local Mandir/Centre Coordinator.

- Costs may include:
  - Venue
  - Equipment
  - T-shirts
  - Food/refreshments
  - Trophies and medals
  - Other event costs
- The fee must be clearly communicated before registration.

- The Local Sports Lead:
  - Announces the tournament in sabha using the flyer and promo video provided by the National Team.
  - Opens registrations.
  - Communicates eligibility and guidelines.
  - Collects participant details.

Step 4 – Team Formation

- Teams are formed based on the number of registrations.
- Player selection and team formation are managed by the Local Mandal in accordance with National Sports Team guidelines.

Step 5 – Tournament Execution

- The local team manages:
  - Fixtures
  - Matches
  - Umpires/officials
  - Equipment
  - Venue
  - Food/refreshments
  - Overall event coordination
- Food requirements should be discussed with the local Kitchen Lead in advance.

6. T-Shirts, Trophies & Media

T-Shirts

- The Local Sports Lead submits the required quantity and sizes to the National Team in advance to receive the T-shirts before the tournament.

7. Trophies & Medals

- The Local Sports Lead organises trophies and medals locally, based on requirements and within the approved budget.

8. Photography & Videography

- The Local Sports Lead coordinates photography and videography with the local AV Team and submits the photos and videos to the National Team after the tournament.

9. Priority to Local Requirements

- Local requirements take priority over National Team planning. If the sports event clashes with another local event, the Local Sports Lead should consult the relevant Karyakar, such as the Coordinator or Satsang Admin, and adjust the plan accordingly.

10. Budget & Sponsorship

- The National Team determines the budget for each competition. National or Local Sports Leads may identify sponsors for national or local events.
- Sponsor logos should not be displayed on T-shirts but may be displayed at the ground/venue.

PART 5 – VOLLEYBALL TOURNAMENT

YAGNAPURUSH CUP

1. What is Yagnapurush Cup?

- Yagnapurush Cup is a volleyball tournament that provides opportunities for competitive volleyball while strengthening unity, teamwork and sportsmanship.
