Position Summary

The Local Retail Operations Lead for Nativ Farms is responsible for ensuring strong in-store execution, product availability, and retailer engagement across assigned regions. The role works closely with distributors and retailers to maintain shelf visibility, execute promotions, and support sales growth in alignment with national strategy and brand standards.

Roles & Responsibilities

1.Distributor Coordination & Local Channel Management

- Act as the local point of contact between Nativ Farms and appointed distributors.
- Coordinate with distributors to ensure:
  - Timely order fulfilment and stock delivery
  - Coverage of all allocated retail stores within the territory
  - Execution of promotions and marketing initiatives
- Support distributors with product knowledge, promotional briefings, and sales updates.
- Escalate any distributor issues (supply, service, pricing) to the National Sales & Marketing Lead.

2.Retail Store Coverage & Availability

- Ensure Nativ Farms products are actively stocked across all agreed retail outlets via distributors.
- Track store coverage (numeric distribution) and identify gaps in range availability.
- Work with distributors to ensure full product range listing and consistent supply.
- Monitor out-of-stock issues and coordinate corrective action with distributors and operations team.

3.In-Store Visibility & Merchandising

- Ensure all approved retail outlets in the region are actively stocking Nativ Farms products.
- Ensure products are correctly placed and visible on shelves in line with agreed merchandising standards.
- Monitor stock levels and replenishment cycles in collaboration with distributors.
- Identify and report out-of-stock situations, low stock, or missed orders.
- Support expansion of product range within existing stores (range extension)
- Work with distributors and retailers to secure:
  - Eye-level shelf positioning
  - End-of-aisle or feature displays where possible
- Conduct or coordinate **periodic store audits** to ensure display compliance.

4.In-Store Merchandising & Display Standards

- Ensure products are:

- Correctly placed on shelves
- Positioned for maximum visibility (eye-level where possible)
- Displayed in accordance with brand merchandising guidelines

- Ensure all POS materials are properly installed and maintained, including:
  - Shelf strips
  - Posters
  - Product cards
  - Promotional signage
- Conduct regular store visits and merchandising audits

5.Sampling & In-Store Activation

- Coordinate with distributors and retailers to implement in-store sampling programs.
- Ensure staff or promoters are briefed and trained on product messaging and brand values.
- Provide feedback on customer response and sales uplift from sampling activities.
- Use sampling as a key driver to build trial, awareness, and repeat purchase.

6.Retailer Relationship Support (via Distributor Model)

- Build and maintain direct relationships with:
  - Store owners
  - Store Managers
  - Retail Stagg
- Act as a local brand ambassador for Nativ Farms within the retail community.
- Support distributors in resolving retailer concerns, feedback, or operational issues.
- Gather on-ground feedback from retailers on:
  - Product performance
  - Customer response
  - Pricing and packaging feedback
- Support retailers with product information, marketing materials, and sales support.

7.Marketing Material & Promotion Execution

- Ensure all marketing kits and POS materials sent with stock are:
  - Delivered to stores
  - Displayed correctly
  - Maintained and replenished
- Support execution of local promotions, offers, and seasonal campaigns.
- Align store-level promotions with national marketing campaigns and social media activity.

8.Compliance & Brand Governance

- Ensure all retail execution aligns with:
  - Brand guidelines
  - Cultural and dietary standards (satvik, vegetarian integrity)
  - Marketing and pricing policies
- Maintain accurate records of store visits, merchandising audits, and promotional execution.

9.Sales Monitoring & Local Reporting

- Monitor **sales performance at store level** and identify:
  - Hi-performing Stores
  - Underperforming stores
  - Opportunities for the growth
- Track and report on:
  - Store Coverage
  - Shelf visibility compliance
  - Promotion execution
  - Sampling Outcomes
- Provide **re**gular reports to the National Sales & Marketing Lead and National Admin.

10.Launch Execution – Priority (13 August)

- Support onboarding and readiness of pilot retail stores in the local region.
- Ensure:
  - Stock is delivered and available before launch
  - POS materials are installed
  - Staff are briefed
- Assist in launch day activation and in-store promotions.
- Support post-launch follow-up to ensure continued product movement and visibility.

11.Collaboration & Cross-Functional Coordination

- Work closely with:
  - National Sales & Marketing Lead
  - Social Media Lead (for local promotions and content capture)
  - Business Development Lead
  - Distribution and logistics teams

- Share photos, store insights, and content for use in marketing and reporting.
- Support broader Shayona/Nativ Farms initiatives and community campaigns where required.
