Outlet Operation

The Outlet Operations Lead oversees the day-to-day functioning of the BAPS Shayona outlet, ensuring high standards in customer service, volunteer coordination, stock control, and compliance with Shayona's guidelines. They also drive operational efficiency, manage rosters and procurement, coordinate catering and event requirements, and report performance to the national team while upholding the values of seva, discipline, and consistency across the outlet.

- **Opening and Closing:** Ensuring Shayona opening hours are maintained as per the National Guideline.
- **Cash Management:**
  - Maintain cash record including end of day cash reconciliation.
  - Maintain cash threshold (maximum of $1000 at any point in time)
  - Hand over excess cash to Accounts Team at the end of every trading day.
  - Report any cash discrepancy to National Shayona Team immediately.
- **Cleaning & Hygiene:**
  - Maintain Shayona outlet near and clean all the time.
  - Keep the floor and shelves clear of any hazard or Rubish. Discard any cardboard or rubbish immediately
- **Customer Service:**
  - Serve customer or haribhakto with utmost respect and smile.
  - Resolve any feedback or concerns raised by customers in timely and promptly manner.
  - Maintain on-going relationship with customers.

Volunteer Management and Vimarsh

- **Volunteer Management:**
  - Prepare volunteer roster for weekly seva.
  - Encourage other eligible volunteers to join seva.
  - Provide training to new volunteers.
  - Promote Samp Suhradbhav and Ekta by creating positive environment.

- **Attending Vimarsh**
  - **Local Vimarsh**
    - Attend local centre Vimarsh (Pramukh Vimarsh & local team monthly Vimarsh) to:
    - Review upcoming events
    - Allocate resources
    - Discuss challenges and improvements
    - Submit the local team monthly Vimarsh report to the link provided by the national team
  - **National Vimarsh**

- Attend national coordination Vimarsh
- Share updates, best practices, and challenges
- Align with national systems, policies, and improvements

o

Stock Management

Shayona lead will be responsible for forecasting demand, procuring, receiving, storing, and stocking shelves in the store.

- **Forecasting Demand**: Forecast demand based on historical sales data and upcoming events.
- **Procurement**: Place an order with National Shayona Team
- **Stock receiving and storing**:
  - Receive the stock upon delivery
  - Verify the stock receipt against the load lists
  - Record and Report of any discrepancies or damaged stock to National Team immediately.
  - Storing of stock in compliant place (First in first out – FIFO pl Add this to the appropriate section)
- **Shelf Filling**: Restock shelves as and when needed.
- **Best Before Check**: Regularly check for the best before of each product. Reduce and clear any nearby expiry stock.
- **Internal Usage Charge Back**: Chargeback stock used by the internal team to the right department.

Planning and Coordination

- **Event Coordination:**
  - Coordinate with Kitchen team for the Kids Diwali
  - Coordinate with Kitchen and Hall Hire Team for the Catering Event.
  - Communicate and coordinate with remote / regional centres to cater for their need relating to Shayona.
  - Detailed planning for the major events such as Diwali, Kids Diwali, Rakshabandhan and Janmashtami.
  - Any event-specific financial report to be submitted to the local accounts team and Services Admin.

Administration and Reporting

- Prepare invoice for the internal used stock
- Reconcile cash at the end of every shift.
- Handing over excess cash to Accounts Team
- Maintain maximum of cash float
- Reporting of cash on hand on the end of last trading day of the month.
