1.0	02/01/2026		National Accounts Team	Pujya Paramchintan Swami	Initial Draft

1) Bank reconciliation

Bank reconciliation is a critical internal control function that protects financial integrity, prevents errors, and ensures transparency. Timely reconciliations enable accurate reporting to mandirs, trustees, and auditors, while also supporting informed decision-making.

a) Perform **weekly** bank reconciliations for the following entities and accounts:
   i) Central Bank Accounts (NAB AUD, NAB High In, NAB USD,)
   ii) Shayona (NAB Every day, NAB Online Saver)
   iii) Prayosha
b) Review all transactions and identify unmatched or unreconciled entries.
c) Investigate discrepancies by coordinating with appropriate stakeholders.
d) Ensure all accounts are fully reconciled by the 5th working day of the following month.

2) Recharges

Recharges ensure that expenses paid centrally are accurately allocated to respective mandirs/centres. This maintains fairness, accountability, and ensures each centre reflects its true operational cost.

a) Process monthly chargeback for all expenses paid by the Central Account such as:
   i) Aksharpith Orders
   ii) Sinhasan and Murti
   iii) SDC orders i.e., Smruti Bhets
   iv) Wagha and Ornaments
   v) Musical Instruments ordered for Mandir use
b) Post monthly journals for:
   i) Management Fees for each mandir/centre
   ii) Shayona income to each mandir/centre
   iii) Square and PayPal receipts and payments

3) Payroll

Payroll accuracy ensures timely employee payments, compliance with ATO requirements, and smooth financial operations. Timely lodgements reduce risk of penalties and maintain organisational professionalism.

a) Prepare monthly pay runs for permanent employees.
b) Lodge Single Touch Payroll (STP) every month.
c) Issue payslips immediately after processing payroll.
d) Update periodic payment schedules in the bank system to reflect roster or salary changes.

4) Budgeting Process

Budgeting is a strategic exercise that aligns resources with organisational goals. This structured annual process ensures planning, financial discipline, and accountability across all mandirs and central entities.

a) **April:** Arrange a vimarsh with Mandir/Centre account admin initiate the upcoming budget process.
b) **May**:
   i) Distribute budget instructions to Mandir/Centre account administrators and Mandir coordinators.
   ii) Coordinate with Accounts admin to prepare the budget.
   iii) Coordinate with the Central Admin lead to ensure the central budget is prepared in a timely manner.
   iv) Arrange a vimarsh with Mandir / Centre account admin to finalise the budget.
c) **June:**
   i) Arrange a vimarsh with Pujya Kothari Sant and National Treasurer for review.
d) Present the draft budget to BoT for the final approval in June month's BoT.
e) Load final budget into Acumatica.

5) Reporting

Regular reporting ensures transparency and provides actionable insights to leadership, fundraising teams, regulatory bodies, and auditors. Consistency in reporting builds trust and strengthens governance.

a) Prepare consolidated monthly budget vs actual reports for Pujya Kothari Swami by the 10th of every month.
b) Prepare a donation report for fundraising team.
c) Prepare reports for BoT / National Treasurer as required.
d) Prepare and share quarterly Budget vs Actual report with each centre by 10th of the following month.
e) Prepare and submit 6 monthly reports to the bank.
f) Prepare and Lodge BAS for Shayona and Prayosha.
g) Complete annual Tax Return and TIPA lodgement for Prayosha.

6) Cashflow and forecasting

Effective cashflow management prevents operational disruptions, supports project planning, and ensures funds are available for seva, festivals, construction, and organisational commitments.

a) Prepare and monitor monthly cashflow forecasts.
b) Update the cashflow based on the information provided by National Treasurer.
c) Notify Pujya Kothari Sant and National Treasurer immediately of any expected shortfalls to avoid operational difficulties.

7) Audit

The audit process ensures compliance, credibility, and confidence in financial governance. Timely preparation supports a smooth audit cycle and strengthens organisational accountability.

a) Commence preparation for audit by end of June for Mandir Trust, Territory Entities Shayona, Prayosha, Foundation and Cultural Trust
b) Prepare and submit financial statement and lead schedules of all entities to the auditor.
c) Liaise with Auditor to resolve queries promptly.
d) Arrange a vimrash with National Treasurer if required to resolve any queries raised by auditor.
e) Submit draft Financials to National Treasurer and BoT for sign off.
f) Submit signed financials to Auditor for issuance of audit opinion.
g) Submit the final audited financial statement to National Treasure and BoT.

8) Administration

Administrative responsibilities ensure smooth financial operations, accurate communication, and efficient coordination across national and centre teams to support governance, technology improvements, and operational continuity.

a) Liaising with IT for process improvements and new projects.
b) Support Central Accounts Receivables / Payables team to resolve any queries.
c) Schedule, arrange and take minutes for:
    i) Monthly Central Accounts Team meetings.
    ii) Monthly Mandir Centre Accounts Team meetings.
d) Manage transactional relationship with bankers.
e) Maintain inventories of EFTPOS terminals.
f) Manage Square Merchant account.
g) Provide necessary financial documents to admin secretary as needed.
h) Support mandir accounts team with any accounting related queries when required.
i) Perform any additional ad-hoc accounting or finance tasks assigned.
