MAHANT PATHSHALA

Organisational Structure

MAHANT PATHSHALA

MAHANT PATHSHALA

Rolls & Responsibility

⇒ Coordinator/CEO (Head)

Reports / accountability: Overall organisational leadership.

Role purpose: Provide strategic, educational and values-based leadership for Mahant Pathshala.

Key responsibilities

- Set the overall mission, values and strategic direction of Mahant Pathshala.
- Provide strategic leadership and overall direction for Mahant Pathshala across all Wings and delivery locations.
- Lead the annual planning process for the institute, in consultation with the Assistant, Course Coordinator and Trainers/Teachers Lead.
- Approve new courses, Wings, curriculum changes, major policy decisions and the annual budget, in consultation with the Course Coordinator, Trainers/Teachers Lead and Accounts Officer.
- Approve the appointment of new Officers, Trainers/Teachers Leads and other key volunteer positions, in consultation with the relevant Lead.
- Provide oversight of the Assistant and, through that role, all Administration & Support functions, ensuring effective and efficient operation of the institute.
- Ensure Mahant Pathshala operates within its approved budget and that funds are used responsibly and for their intended purpose, working with the Accounts Officer.
- Ensure the institute meets its child safety obligations and any other relevant legal or regulatory requirements, including those applicable to a not-for-profit organisation.
- Represent Mahant Pathshala in dealings with external stakeholders, partner organisations and the wider community.
- Chair regular leadership meetings with the Assistant, Course Coordinator and Trainers/Teachers Lead to review progress and resolve issues.
- Monitor institutional performance (enrolments, course outcomes, feedback) and direct corrective or improvement action as required.
- Act as the final point of decision-making and escalation for matters not resolved at the Assistant or Officer level.
- Safeguard the reputation, culture and values of Mahant Pathshala in all decisions.
- Plan, organise and oversee all examinations across the institute, in coordination with the Assistant, Course Coordinator and Trainers/Teachers Lead, ensuring papers, schedules and results are managed appropriately and on time.

- Plan and oversee the institute's annual Convocation (graduation ceremony), including venue arrangements, guest invitations, and formal recognition of student achievement.
- Ensure examination results and certification are accurately recorded and provided to the Course Coordinator and Student Support & Admission Lead for institutional record-keeping.

⇒ Assistant/Operations

Reports / accountability: Coordinator.

Role purpose: Support the Coordinator in day-to-day coordination and keeping both the academic and administrative sides of the institute working smoothly.

Key responsibilities

- Manage the day-to-day operations of Mahant Pathshala on behalf of the Coordinator, spanning both academic delivery (Course Coordinator/Wings) and administrative support functions.
- Supervise and coordinate the Administration & Support functions, including Student Support & Admission, Student Welfare, Quality & Compliance, Accounts and IT Support, ensuring each is adequately resourced and supported.
- Monitor the performance and wellbeing of each Administration & Support function, and identify training or resourcing needs.
- Coordinate the recruitment and onboarding of new volunteers across administrative and support roles.
- Liaise with the Course Coordinator on scheduling, resourcing and logistics for classes across all Wings and locations.
- Maintain an overview of key operational risks (e.g. staffing gaps, resourcing shortfalls) and raise these with the Coordinator.
- Support the preparation of operational reports and updates for the Coordinator.
- Help ensure Work Health & Safety considerations are addressed for in-person classes and events.
- Deputise for the Coordinator as required, and provide timely updates on operational matters, risks and achievements.
- Ensure administrative processes and decisions are consistent with sound institutional practice and the values of the organisation.
- Support the Coordinator in the planning and scheduling of examinations and Convocation across all Wings.
- Coordinate the annual communications and promotion calendar with Student Support & Admission and IT Support, and ensure public-facing communications receive appropriate approval before release.

- Oversee institute-wide administrative workflows, ensuring responsibilities are coordinated across Student Support & Admission, Course Coordination, Accounts and IT Support.

⇒ Course Coordinator

Reports / accountability: Coordinator / Assistant; works closely with the Academic Lead and Wing teams.

Role purpose: Maintain consistent academic planning, delivery, assessment and course administration across all wings.

Key responsibilities

- Develop and maintain the academic calendar and course structure across Wing #1, Wing #2 and Wing #3, in coordination with the Trainers/Teachers Lead.
- Maintain a master register of all courses, Wings, trainers and course leads, keeping it up to date as changes occur.
- Ensure course prerequisites, progression pathways and content are current, consistent and clearly documented for each Wing.
- Liaise with individual course leads to confirm course readiness, teaching materials and delivery mode.
- Monitor course quality and student outcomes in partnership with the Quality & Compliance Lead, recommending improvements to curriculum or delivery as required.
- Oversee the development of new courses from planning through to launch, ensuring alignment with the institute's academic and scriptural standards.
- Support Trainers/Teachers Leads in reviewing and updating course content, prerequisites and progression pathways on a periodic basis.
- Maintain records of course outcomes and completions to support institutional reporting.
- Coordinate the collection of past examination papers from Wing-level trainers and forward these to the IT Support Lead for publication on the student portal.
- Liaison with Coordinator and Assistant in the planning and scheduling of examinations and Convocation across all Wings.
- Ensure approved learning resources remain current, appropriately version-controlled and available to Trainers/Teachers and students through the relevant systems.
- Coordinate requests for new or updated learning resources, including procurement or reproduction, with the Trainers/Teachers Lead and Accounts Officer.
- Maintain the master catalogue of approved learning resources, teaching materials and past examination/test papers across all Wings.

- Coordinate preparation and issue of certificates/transcripts with Student Support & Admission after confirming academic completion requirements.
- Maintain the central academic record of course structures, completions, assessment outcomes and certification information in coordination with Student Support & Admission.

⇒ Trainers / Teachers - All Wings - Academic Lead

Reports / accountability: Course Coordinator for operational academic matters; Coordinator & Assistant for institute-wide academic direction.

Role purpose: Provide high-quality teaching and learning that combines educational professionalism with the ethos and spiritual objectives of Mahant Pathshala.

Key responsibilities

- Provide leadership and coordination of all Trainers/Teachers across Wing #1, Wing #2 and Wing #3, ensuring every course is appropriately staffed.
- Maintain an up-to-date list of confirmed and vacant Trainer/Teacher positions across all Wings, and report gaps to the Course Coordinator.
- Recruit, mentor and support course-level Trainers/Teachers, including filling positions not yet confirmed.
- Coordinate induction and orientation for newly appointed Trainers/Teachers.
- Maintain consistent teaching standards and pedagogy, and ensure approved course materials are used across all Wings and locations.
- Support the development and periodic review of teaching resources and lesson materials used across Wings.
- Facilitate ongoing communication and knowledge-sharing among Trainers/Teachers across Wings.
- Encourage Trainers/Teachers to pursue relevant professional or spiritual development opportunities.
- Ensure course delivery reflects the depth, discipline and integrity appropriate to the subject matter.
- Provide input into examination content and scheduling, in coordination with the Coordinator and Course Coordinator.
- Report progress, challenges and resourcing requirements to the Course Coordinator.

→ WING 1

Trainers / Teachers (Course Leads)

Reports / accountability: Academic Lead / Course Coordinator.

MAHANT PATHSHALA

Role purpose: Deliver and continuously support the approved WING 1 courses.

Key responsibilities

- Deliver assigned courses in accordance with the standards and materials set by the Trainers/Teachers Lead.
- Guide students through the progression pathway (SD Mukhpath → SD Adhyayan → SD Visharad → Siddhant Sarvasvam), assessing readiness for advancement.
- Maintain accurate attendance and progress records for each class, and provide these to the Course Coordinator and Student Support & Admission Lead as required.
- Communicate clearly with students and families regarding class schedules, changes or cancellations.
- Prepare and administer term or end-of-course assessments in line with the institute's assessment approach.
- Monitor student progress and refer students requiring additional support to the Student Welfare Lead or Trainers/Teachers Lead.
- Provide past examination/test papers to the IT Support Lead for publication on the student portal, to support student examination preparation.
- Participate in periodic review of course content and materials with the Trainers/Teachers Lead.
- Model the conduct, discipline and values expected of an educator within the institute.

→ WING 2

Trainers / Teachers (Course Leads)

Reports / accountability: Academic Lead / Course Coordinator.

Role purpose: Deliver and continuously support the approved WING 2 courses.

Key responsibilities

- Deliver advanced philosophical and scriptural courses to students meeting Wing #2 eligibility criteria.
- Maintain accurate attendance and long-term progress records, particularly for extended courses such as the six-year Brahmvidhya Adhyayan.
- Communicate clearly with students regarding schedules, course requirements and expectations.
- Collaborate with the Course Coordinator to finalise course structure and materials for courses currently under development.
- Foster independent scriptural reflection and discussion consistent with sampradaya interpretation.
- Participate in periodic curriculum review with the Trainers/Teachers Lead and Course Coordinator.

- Provide past examination papers to the IT Support Lead for publication on the student portal.

→ WING 3

Trainers / Teachers (Course Leads)

Reports / accountability: Academic Lead / Course Coordinator.

Role purpose: Deliver and continuously support the approved WING 3 courses.

Key responsibilities

- Deliver Arts and Music courses that support students' creative and cultural development alongside their spiritual growth.
- Maintain accurate attendance and progress records for Arts and Music classes.
- Maintain and update teaching materials and books as new course levels are developed.
- Liaise with the Course Coordinator on opportunities to showcase student work, including at community or Mandir events.
- Participate in periodic review of teaching materials and course levels.
- Provide any past assessment materials to the IT Support Lead for publication on the student portal.

⇒ Student Support & Admission Lead

Reports / accountability: Coordinator & Assistant as required; works closely with the Course Coordinator, Accounts Officer and IT Support Lead.

Role purpose: Provide accessible academic and general support so students can participate effectively in learning.

Key responsibilities

- Serve as the primary point of contact for prospective students and their families.
- Maintain accurate records of enquiries and applications, and follow up in a timely manner.
- Guide applicants through eligibility requirements, prerequisites and the application process.
- Provide prospective students with clear information on course structure and expectations prior to enrolment.
- Advise prospective students of the course registration fee (AUD $10–$15 per course) at the point of enquiry or application.

- Provide administrative support to current students, including schedule changes, Wing transfers and access to online classes.
- Maintain enrolment records and complete data entry and administrative tasks related to new enrolments.
- Identify and refer students with additional needs or circumstances to the Student Welfare Lead, where appropriate.
- Support a welcoming and inclusive enrolment experience consistent with institutional values.
- Coordinate with the Course Coordinator, Accounts Officer and IT Support Lead to ensure a smooth transition from application to enrolment.
- Track enquiry-to-enrolment trends and provide periodic updates to the Assistant/Coordinator.
- Maintain current public course information supplied to prospective students and coordinate website/course-information updates with IT Support.
- Coordinate student recruitment and course-enquiry activity for each intake or batch, including follow-up of prospective students and families.
- Maintain historical student enrolment and completion records and prepare enrolment/attendance/progression reports when requested by the Coordinator, Assistant or Course Coordinator.
- Issue enrolment confirmations and coordinate certificates/transcripts with the Course Coordinator once completion is academically confirmed.
- Maintain secure student records in accordance with the Privacy Policy and Records Management requirements.
- Maintain accurate and complete student administration records across all Wings, including applications, enrolments, attendance information received from teaching teams, progression and completion status.

⇒ Student Welfare Lead

TBC

Reports / accountability: Coordinator & Assistant; works closely with Student Support and relevant safeguarding contacts.

Role purpose: Promote student wellbeing and provide an appropriate referral and escalation point for welfare concerns.

Key responsibilities

- Serve as the primary contact for student and family welfare concerns, providing a confidential and supportive first response.
- Act as the institute's primary contact for child safety concerns, ensuring appropriate action is taken in line with policy.

- Monitor for indicators that a student may require additional support, whether academic, personal, or related to competing commitments.
- Collaborate with Trainers/Teachers to identify students requiring additional encouragement or adjusted course loads.
- Provide guidance to Trainers/Teachers on recognising and responding to student welfare concerns.
- Maintain confidential records of welfare concerns and actions taken, in line with the institute's Privacy Policy.
- Liaise with external support services where appropriate, and with the student's (or parent/guardian's) consent.
- Uphold a culture of compassion and non-judgment in all student and family interactions.
- Contribute to periodic review of the institute's Student Support and Welfare policies.
- Escalate safeguarding or significant welfare concerns to the Assistant/Coordinator without delay.

⇒ Quality & Compliance Lead

Reports / accountability: Coordinator & Assistant with independent access for significant compliance concerns.

Role purpose: Maintain the institute's governance, policy, quality-assurance and compliance framework.

Key responsibilities

- Monitor course quality, consistency and student outcomes across all Wings in collaboration with the Course Coordinator and Trainers/Teachers Lead.
- Maintain a register of institutional policies, ensuring version control and periodic review dates are tracked.
- Maintain and periodically review institutional policies (admission, attendance, code of conduct, privacy, etc.) to ensure currency and fitness for purpose.
- Monitor compliance with child safety obligations across all Wings and Officer functions.
- Manage complaints and appeals in a fair, confidential and timely manner, consistent with principles of good governance.
- Maintain a complaints and appeals register, tracking outcomes and resolution timeframes.
- Support internal review of teaching materials, records and processes.
- Support preparation for any external audits, reviews or future regulatory applications, including a future TEQSA application.

- Provide periodic compliance reports to the Coordinator and Assistant.
- Recommend continuous improvement initiatives to support institutional growth and quality assurance.
- Monitor consent, privacy and recordkeeping requirements associated with public communications and promotional materials.
- Review public-facing course and promotional information for accuracy, consistency with approved policies and appropriate use of student/community testimonials or images before publication where required.

⇒ Accounts Officer

Reports / accountability: Coordinator & Assistant; subject to approved financial delegations.

Role purpose: Maintain transparent, accurate and well-controlled financial administration.

Key responsibilities

- Manage the institute's financial accounts, including course fees, donations and operating expenditure.
- Maintain accurate financial records, in a manner suitable for audit or review.
- Administer collection of the course registration fee (AUD $10–$15 per course), maintaining accurate financial records.
- Reconcile registration fee collections with enrolment records maintained by the Student Support & Admission Lead.
- Prepare periodic financial reports or summaries for the Coordinator and Assistant.
- Process refunds and fee-related enquiries in accordance with institutional policy.
- Support the annual budgeting process across all Wings and support functions.
- Ensure financial transactions comply with the institute's financial policies and any applicable legal obligations for not-for-profit organisations.
- Maintain financial integrity and accountability befitting a community-based, not-for-profit institution.
- Process approved purchases or reimbursements for learning resources and materials in coordination with the Course Coordinator and within approved financial delegations.

⇒ IT Support Lead

Reports / accountability: Assistant / Coordinator; supports all academic and administrative functions.

MAHANT PATHSHALA

Role purpose: Maintain reliable, secure and user-friendly technology for teaching, administration and communication.

Key responsibilities

- Maintain the technology infrastructure supporting online class delivery (Zoom/Google Meet) and the student portal.
- Provide technical support to Trainers/Teachers and students, particularly in relation to live online classes.
- Manage user access and permissions for the student portal and related systems, in line with the institute's Privacy Policy.
- Manage data security and privacy for student records and communications.
- Perform regular backups and basic maintenance of digital systems and records.
- Maintain the functionality of the student portal, including the past examination papers section.
- Support the rollout of new digital tools or systems as approved by the Coordinator/Assistant.
- Maintain a basic register of IT assets, accounts and licences used by the institute.
- Support the Student Support & Admission Lead and Course Coordinator with website, enrolment forms and related digital tools.
- Maintain and update approved public-facing website content and digital course information as provided by Student Support & Admission and approved by the Coordinator/Assistant.
- Publish approved past examination/test papers and learning resources to the student portal as directed by the Course Coordinator.
- Maintain digital access controls and version integrity for learning resources and past examination materials published through the student portal.
