National Mandir Retail Operations Lead

The National Mandir Retail Operations Lead is responsible for overseeing and standardising the retail operations of all BAPS Shayona Mandir outlets across Australia. Reporting to the National Admin BAPS Shayona, they provide strategic direction, operational guidance, and performance oversight to all local Mandir Retail Shayona Leads, ensuring consistency in product range, merchandising, pricing, stock management, and customer experience across every outlet. They act as the central coordination point for all retail-related procurement, planning, and reporting while upholding the values of seva, discipline, and sattvic excellence.

National Retail Operations Oversight

- **Operational Standards:**
  - Develop, maintain, and communicate national retail operating standards and guidelines for all Mandir Shayona outlets.
  - Ensure all local outlets are operating in full compliance with national guidelines covering opening hours, cash management, hygiene, customer service, and stock management.
  - Conduct or facilitate periodic operational reviews and audits across all Mandir outlets to identify gaps and drive consistent standards.
- **Product Range and Merchandising:**
  - Define and maintain the national Shayona product range across all Mandir outlets.
  - Develop and communicate national merchandising guidelines, including shelf layout, product placement, and signage standards.
  - Work with Sourcing & Imports to ensure the product range reflects community needs, sattvic standards, and commercial viability.
- **Pricing and Promotions:**
  - Set and maintain the national pricing framework across all Mandir Shayona outlets.
  - Develop a national promotional calendar, including event-based promotions for Diwali, Kids Diwali, Rakshabandhan, Janmashtami, and other key occasions.
  - Communicate pricing updates and promotional plans to all local leads in a timely manner.
  - Ensure pricing consistency across all outlets and resolve any pricing discrepancies.

Inventory and Procurement Coordination

- **Order Coordination:**
  - Receive, consolidate, and process stock orders from all local Mandir Shayona leads.
  - Coordinate with Sourcing & Imports and the Central Warehouse to ensure timely and accurate stock supply to all outlets.
  - Maintain load lists and dispatch records for all stock distributed to local centres.

- **Inventory Oversight:**

- Monitor stock levels across all outlets and coordinate replenishment based on demand forecasts, seasonal trends, and upcoming events.
- Investigate and resolve stock discrepancies reported by local leads.
- Ensure all outlets are adhering to national best-before monitoring and near-expiry stock management guidelines.
- Co-ordinate with POS support team for day-to-day queries relating to barcodes, creation of specials code.

- **Demand Forecasting:**
  - Analyse national sales data and historical trends to support accurate demand forecasting.
  - Work with local leads ahead of major events to ensure adequate stock is available across all centres.

Leadership and Coordination

- **Local Lead Support:**
  - Provide ongoing guidance and support to all local Mandir Retail Shayona Leads.
- **Vimarsh:**
  - Organise and chair a monthly National Retail Vimarsh with all local Mandir Shayona leads.
  - Prepare and distribute meeting agendas prior to each vimarsh.
  - Ensure accurate minutes are recorded and distributed following each meeting.
  - Review and compile vimarsh reports submitted by local leads and escalate key matters to the National Admin BAPS Shayona.
- **Best Practice Sharing:**
  - Identify and document best practices from high-performing outlets and share them across the national network.
  - Facilitate peer learning and knowledge sharing between local leads.
- **Cross-Vertical Coordination:**
  - Liaise with the QA Lead to ensure food safety and quality compliance across all Mandir outlets.
  - Coordinate with Finance for financial reporting, chargebacks, and internal invoicing requirements.

Performance Monitoring and Reporting

- **Performance Metrics:**
  - Define and monitor national KPIs for Mandir retail operations, including sales performance, stock turnover, customer satisfaction, and volunteer engagement.
  - Review performance reports submitted by local leads and identify trends, gaps, and opportunities.
  - Drive accountability across all outlets against agreed performance targets.
- **Reporting:**
  - Prepare and submit a consolidated monthly/quarterly retail performance report to the National Admin BAPS Shayona.
  - Report on financial performance, stock management, operational compliance, and community feedback across all outlets.
  - Provide recommendations for improvement and flag any escalation matters requiring Board attention.

Administration

- **Policy Documentation:**
  - Maintain a centralised repository of all Mandir Retail Shayona national policies, guidelines, and standard operating procedures.
  - Ensure all local leads have access to current documentation and are regularly updated on any changes.
- **Internal Chargebacks and Invoicing:**
  - Oversee and ensure accuracy of internal chargeback processes across all outlets.
  - Ensure all stock used by internal departments is correctly invoiced to the relevant teams in accordance with national policy.
- **Financial Records:**
  - Ensure all local outlets are maintaining accurate cash records, reconciliations, and financial documentation in line with national guidelines.
  - Escalate and investigate any cash discrepancies reported by local leads.
