| 1.0 | 24/12/2025 | | National Accounts Team | Pujya Paramchintan Swami | Initial Draft |

## 1) Issuing Donation Receipts

Accurate and timely donation receipting is essential for transparency, donor confidence, compliance, and smooth fundraising operations. Proper categorisation ensures donations are recorded under the correct legal entity and facilitates audit and reporting processes.

Issue donation receipts for the following entities and centre:

**a) Moto (NAB transact)**
- i) Cultural Trust
  - (a) Central Account
  - (b) Sydney Mandir
  - (c) Regional Centers
- ii) Mandir Trust
  - (a) Central Account
  - (b) Sydney Mandir
  - (c) Regional Centers

**b) Bank Transaction (Nab Connect)**
- i) Cultural Trust
  - (a) Central Account
  - (b) Sydney Mandir
  - (c) Regional Centers
- ii) Mandir Trust
  - (a) Central Account
  - (b) Sydney Mandir
  - (c) Regional Centers

c) For any dishonoured direct debits, promptly inform National Fundraising Team for follow-up and resolution with 24 hours.

d) Action to notice received from the bank or donor to cancel the direct debit

## 2) Accounts Payable

Accounts Payable ensures timely and accurate payment of expenses while maintaining financial controls, compliance, and audit readiness. Proper verification steps reduce financial risks and prevent fraudulent payments.

**a) Payment Types**
- i) Direct Supplier Payments for the approved invoices.
- ii) Bpay
- iii) International Payments

iv) Volunteer Reimbursement

b) Payment must only be made against the valid tax invoice (NO Quotes, Statement or email text).
c) Ensure every invoice or payment request is approved according to DoA.
d) Open new supplier in the system if does not already exist.
e) Consult accounts admin if unsure about using the GL code.
f) For all project related payments ensure task IDs and project codes are captured appropriately. If unsure, contact Account admin to confirm.
g) Ensure GST is coded appropriately and verify with the Invoice GST.
h) Upload all Invoices / Supporting emails or documents in Acumatica
i) For any change of bank account request, must call supplier to verify the bank details over the call. Detailed process to be completed.
**j) Prepare Payments:**
   i) Supplier invoices payments to be processed three days a week – Monday, Wednesday and Friday.
   ii) Once invoice/ reimbursement claims are entered, generate an ABA file for the selection invoices/payments.
   iii) Load an ABA file onto NAB bank portal.
   iv) Ensure that payment is loaded into appropriate bank account.
   v) Process Bpay payments separately.
k) Notify appropriate authorised signatories to authorise the payment. Authoriser should authorise the payment within 48 hours.
l) Once payments are fully authorised, send remittance copy to the payee from the Acumatica.

## 3) Cash Flow Management

Effective cashflow management ensures healthy liquidity for day-to-day operations, loan repayments, and ongoing commitments. Moving funds between centres and central accounts must be timely and aligned with financial priorities.

a) Transfer surplus funds any balance over $50,000 for Sydney, $20,000 for all other type A and B mandirs, $10,000 for regional account to Central Account from the Mandir Centres.
b) Transfer fund back to Mandir Centre as required.
c) Ensure sufficient balance are maintained in the Central Account for committed repayments.
d) Create the fund transfer on the bank's portal.
e) Notify appropriate authoriser to authorise the transfer.

## 4) Direct Debits – Setup and Maintenance

Direct debits support consistent donor contributions. Maintaining these records accurately is essential for Cashflow management and audit trail requirements.

**a) New Direct Debit Setup**

i) Ensure all mandatory fields on the direct debit form are complete.
ii) Notify the donor or requester if any detail is missing on the form.
iii) Setup a new direct debit in appropriate banking portal (NAB Moto or NAB Connect).
iv) Store hard copies of the direct debit forms securely.
v) Permanently delete soft copies after setup to protect sensitive financial data.

**b) Direct Debit Maintenance**

i) For any change in the direct debit – i.e. Change in bank detail, Credit Card details, frequency, amount, cancellation, suspensions or resumption must be communicated in writing via email.
ii) If change requests received via text or WhatsApp (except cancellations or suspension), email the donor attaching their original message for audit trail.
iii) Print all direct debit communication related to changes and store with the original form.
iv) For any dishonoured direct debits, promptly inform National Fundraising Team for follow-up and resolution with 24 hours.

## 5) Bank Transaction Matching Process

Bank transaction matching ensures financial records are accurate, reduces reconciliation errors, and strengthens audit compliance. Consistency is key to preventing misallocations or unresolved transactions.

c) Review Bank transaction in Acumatica for individual bank account
d) Match the bank transactions with invoices/payments.
e) Process the rule-based bank transactions i.e. Direct Deposit, Cash, EFT, MOTO and Outgoing / Incoming Direct Debits
f) Consult Accounts admin for any unrecognisable transactions.

## 6) Cash Management

Proper handling of physical cash is essential for security, accuracy, and accountability. Mandir cash must be counted, recorded, and deposited in appropriate bank account in timely manner.

g) Manage Cash Donation Boxes – Open, Count and record
h) Cash / Cheques Deposit into appropriate bank accounts – for Cash collected at Donation Counter and Cash Donation Box.

## 7) Donation in Kind

Donation-in-kind processes ensure non-monetary donations are handled transparently and safely.

i) Receive request via JotForm
j) Receive physical Donations in Kind and verify the details including items and its weight with JotForm.
k) Maintain record spreadsheet for the location of the physical items.
l) Store it securely in safe custody.
